This constitutes an order for Portrait Photography services. It is understood that any and all digital images remain the property of Richard Stockton Photography and that they may be used for advertising, display, photography competition or any other purpose thought proper by Richard Stockton Photography. In the likely event that all the photographs have been lost, stolen, damaged or destroyed for reasons within or beyond Photography control, Richard Stockton Photography liability is limited to the return of all payments received for the event. The limit of liability for a partial loss of originals shall be a prorated amount of the package selected, based on the percentage of digital files lost. Upon signature, Richard Stockton Photography reserves the time and date agreed upon. For this reason, all deposits are non-refundable, even if the wedding date is changed or canceled for any reason. Deposit must be made in order to reserve date.

## Reshoots

**The Photographer reserves the right to reshoot without fee when dissatisfied with the quality of the photography or when the reshoot is caused by the photographers own clear default. (e.g. negligence regarding equipment malfunction) Other reshoots are traditionally billable in full. Specifically, changes or variations of any kind or character from items previously approved ( layout, location, models, props, etc.) As stated by the original contract between Richard Stockton Photography and client, will be billed accordingly as full-fee shoot, not to be less than ½ of the original photo fee contract price.**

**Cancellations** will be acceptable and payable in full if within 72 hours of assignment. Otherwise, 50% of contract photo fee will be charged.
